

Effective June 15, 2020, our Funds Availability Policy changed.

Generally, the length of delay varies depending on the type of items deposited as explained below:

Type of Deposit	Availability
Electronic Payments: Wire Transfers, Federal Direct Deposits	Same day availability
Cash, Government, Cashier's, certified or Tellers Check; Checks drawn on us; U.S. Postal Money Orders; the first \$225 of a day's total deposit of other checks.	<i>If deposit is made in person, the first business day after the day of deposit.</i> <i>If the deposit is mailed, the first business day after the business day the deposit is received.</i>
All other Checks	The second business day after the day of deposit.
Longer delays may apply in special circumstances	We will notify you if your funds will be delayed.
